Prescription Safety Eyewear

Below are the price allotments for prescription safety glasses. Anything over these amounts will be the responsibility of the employee.

- Single Vision Lens - \$75
- Lined Bifocals - \$135
- Progressive Lens - \$175

Here is a list of websites you can search to find the glasses of your choice. You may use others as well.

- [Safety Gear Pro](#)
- [Rx Safety](#)
- [Rhino Safety Glasses](#)
- [Safety Glasses USA](#)

When you have made your selection you have these options to purchase:

- 1.) Purchase the safety glasses and email HR@hcec.com this completed form along with the receipt, and be reimbursed the allotted amount.
- 2.) Email HR@hcec.com this completed form, the link with the glasses of your choice, and if they are within the allotted price point HR will purchase them upfront.
