HCEC C.O.R.P.S. AWARD

**September 2023
Quincy Burnett**

The HCEC employee recognition program is called the CORPS Award which stands for:

Caring for
Others with
Respect,
Professionalism, and
Service.

Employees are recognized for outstanding service, quality care and portraying HCEC's core values.

Quincy constantly demonstrates all the core qualities of this company with his patient care. He never takes the easy way out and always does the most he can for each and ever patient. He is compassionate and works hard. He completes station duties regularly without prompting by anyone else and will do them even if no one else does.

Quincy represents the core values at hospitals by showing respect to nurses and doctors there and always behaves respectfully with patients and coworkers. Hard working and responsible. That's Quincy. He goes above and beyond in patient care and will make sure each patient is as comfortable as possible regardless of the patient's complaint and/or attitude towards EMS.

Quincy is smart and it shows in his critical thinking capability. I have worked with MANY employees over the 14 years at this company and Quincy is by far one of the best and most respectful there is.
